

Call for Entries

Greetings! On behalf of the AIA Central Kentucky Chapter, it is my pleasure to announce the Call for Entries for the **AIA-CKC Home Tour 2018**. We are looking for your firm's best residential work that is a recent example of a renovation, addition, or newly constructed home.

Proceeds from the Home Tour will once again benefit The Habitat for Humanity of Metro Louisville.

It has been over a year since the last AIA home tour, so we anticipate a good turnout and renewed interest in the event. More information to follow on event promotions and selection of entries.

The **Home Tour** will be held on **Saturday, September 8, 2018 from 12pm - 6pm**

Please follow these guidelines for entry submission to be considered:

- The project must be designed by a licensed Architect or designer trained under professional architect.
- Provide (6) high quality digital photographs of project with a brief description.
- The project must be complete prior to date of the tour.
- Secure the owners' preliminary approval for date and times of tour and check for scheduling conflicts.
- During tour hours, the project must be staffed by the architect or the architect's representative to greet guests and answer questions.

Entries will be accepted up until and no later than **July 17th, 2018**.

Notifications of Home Tour entry winners will be announced by **July 24th, 2018**.

Thank you for your participation and we
look forward to hearing from you!

Email entries to:

Chuck Netherton, CKC Vice President
